Introduction

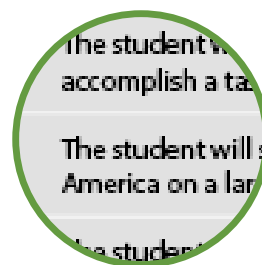

The International Preschool Curriculum® (IPC) sets high standards for early childhood education and provides teachers with a comprehensive framework for curriculum delivery, suggested activities and Assessment. Each thematic unit is drafted by one or more qualified and experienced curriculum drafters and reviewed by an advisory committee consisting of early childhood academics, consultants and teachers. The IPC offers a support network for teachers to discuss their ideas and obstacles and encourages its members to be at the forefront of the organization's development.

IPC Editorial Team

Dr. Erika Burton, Ph.D.
Prof. Donna Skinner, Ph.D.
Dr. Rebecca Reynolds, Ed.D.
Gabriela Brown, M.A.

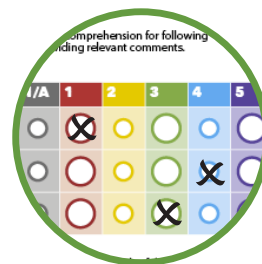

This indicates the content learning area or subject area for the learning objectives and activities.

All learning objectives are summarized at the beginning of each activity and duplicated in the assessment book for easy reference.

Instructions on how the teacher can best achieve the learning objectives. This is always at the beginning of each activity and should be read in advance to ensure that the teacher is comfortable and familiar with the activity.

For assessment purposes, all learning objectives are achieved on a scale from 1-5. (See *Assessment key for further detail*)

Example of a filled out Assessment:

1.0 Geography

- Teacher's constant observation of student's ability and demonstration of comprehension for following directions, answering questions and participating in discussion by providing relevant comments.

		N/A	1	2	3	4	5
L1 - L3	The student will follow a simple set of instructions to accomplish a task.						
L1 - L3	The student will successfully locate Africa, Asia and North America on a large-scale map.						
L1 - L3	The student will color in specific locations on a world map with assistance as needed.						
Teacher:		Date Tested:					

Assessment Key

N/A	Absent or ungraded
1	Insufficient or very basic understanding of the learning objective. Learning objective not attained.
2	Somewhat satisfactory understanding of the learning objective and execution of the activity.
3	Satisfactory understanding of the learning objective and execution of the activity.
4	Good understanding of the learning objective and demonstration of superior skills that allowed the objective to be completed without assistance.
5	Excellent understanding of the learning objective. Demonstration of superior skills with an initiative to discuss, share and reflect on the completed learning objective.

1.0 Scientific Inquiry

- Teacher observation of student’s interest levels will be demonstrated by their attentiveness to the activities presented.
- Teacher observation of student learning will be demonstrated by their engagement, sorting tasks and through their participation in discussions along with their follow up questions.

		N/A	1	2	3	4	5
L1	The student will use their senses to dig for dinosaur bones.						
L2 - L3	The student will examine and compare a variety of bones.						
Teacher:		Date Tested:					

1.1 Observation and Reasoning

- Teacher observation of student attention span (on an individual basis), to be used as an ongoing gauge for improvement.
- The teacher will determine learning of the objective through their responses to the last question above: How many thousands of years ago did dinosaurs live?

		N/A	1	2	3	4	5
L1	The student will develop awareness that dinosaurs did not live in today’s world.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

1.2 Observation and Reasoning

- The teacher will observe group interaction (collaboration, leadership and other social skills) and listen to their reasoning as to why they decided on which group to place each dinosaur in.

		N/A	1	2	3	4	5
L2	The student will sort dinosaurs based on food preferences.						
Teacher:		Date Tested:					

1.3 Observation and Reasoning

- The teacher will take note of the student's strengths and weaknesses (social and reasoning skills).

		N/A	1	2	3	4	5
L3	The student will sort dinosaurs according to their means of movement.						
Teacher:		Date Tested:					

1.4 Senses

- Teacher observation of students' active participation throughout the discussion.

		N/A	1	2	3	4	5
L1 - L3	Students will utilize their senses and imagination in response to exploratory questions.						
Teacher:		Date Tested:					

1.5 Design and Engineering

- The teacher will observe student engagement and final product, can the dinosaur stand on its own?

		N/A	1	2	3	4	5
L1 - L3	Students will design a dinosaur able to stand on its own.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.0 Print Awareness

- The teacher will observe proper holding of a writing instrument, quietly correcting students as needed, and taking note of those with this weakness and plan more fine motor activities for them.
- The teacher will assist those students who cannot think of words that have the letter 'D' sound and make note for future application of this sound.

		N/A	1	2	3	4	5
L1 – L2	The student will write the letter D.						
L3	The student will write the letter D and d.						
L3	The student will draw things that begin with the letter D.						
Teacher:		Date Tested:					

2.1 Print Awareness

- The teacher will note correct and incorrect letter formation (starting at the top line and drawing a straight line for the 'D' first, then starting at the top of that line and forming the half circle).

		N/A	1	2	3	4	5
L1 – L2	The student will write the letter D.						
L3	The student will write the letter D and d.						
L3	The student will draw things that begin with the letter D.						
Teacher:		Date Tested:					

2.2 Alphabet Letter Recognition

- Teacher observation of students ability to the listen to the story and participate in whole class discussion.
- Teacher observation of which students participate in the repeating of the D sound.
- Teacher observation of student's ability to identify the letter "D" and know its beginning sound.

		N/A	1	2	3	4	5
L1 - L3	The student will listen and respond to storybooks.						
L1 - L3	The student will show a steady interest in books.						
L2 - L3	The student will select the letters D, d from a group of letter cards (visual discrimination).						
L3	The student will identify the letter "D" and its beginning sound (auditory discrimination).						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.3 Alphabet Awareness

- Teacher observes and notes student’s ability to identify specific letters.

		N/A	1	2	3	4	5
L1	The student will identify the letter D and some of the other letters previously taught.						
L1 - L3	The student will follow simple rules to play the game.						
L2 - L3	The student will identify all letters of the alphabet previously taught.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.4 Print Awareness

- **L1 - L3** The teacher will listen to student responses to the picture, read activity to determine levels of comprehension and listening skills.
- **L2 - L3** Teacher observation of students reactions and engagement to determine if their understanding of the picture to print activity
- Teacher observes student's ability to use their imagination and to turn their thoughts into words.

		N/A	1	2	3	4	5
L1 - L3	The student will listen attentively to the story.						
L1 - L3	The student will discuss and participate in a class discussion.						
L2 - L3	The student will participate in writing a new ending to the story.						
L2 - L3	The student will draw a picture story and engage in a language writing experience.						
Teacher:		Date Tested:					

2.5 Reading Readiness

- The teacher will listen in on the students groups as they read the book through its pictures, observing the strengths and weaknesses.

		N/A	1	2	3	4	5
L1 - L3	The student will utilize the pictures in a book to tell their own story.						
Teacher:		Date Tested:					

2.6 Story Sequencing

- The teacher will observe and monitor students putting sequencing cards in the proper storyline order, making notes of strengths and weaknesses for future activity planning.

		N/A	1	2	3	4	5
L1	The student will sequence a 3 part story.						
L2	The student will sequence a 5 part story.						
L3	The student will draw their own 5 sequence cards and put them in order.						
Teacher:		Date Tested:					

2.7 Literacy – Prediction

- The teacher will observe students actively participating in predicting what might happen next in the story. Those not actively participating should be encouraged to participate.

		N/A	1	2	3	4	5
L1 - L3	The student will use their imagination to predict what will happen next in a dinosaur story.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.8 Print Awareness

- The teacher will observe reading readiness skills: how students are able to hold the book correctly, turn pages appropriately, determine the front from the back, “read” the pictures and enjoy the process of reading readiness and the use of directionality.
- The teacher will assist or model the appropriate skills for students not practicing the appropriate skill level.

		N/A	1	2	3	4	5
L1	The student will experience the left to right directionality of reading.						
L2 - L3	The student will discover and experience the left to right directionality of reading.						
Teacher:		Date Tested:					

2.9 Reading Readiness

- The teacher will observe the students happily engaged in reading books and encourage those not enjoying (looking at) a book.

		N/A	1	2	3	4	5
L1	The student will enjoy reading books with classmates.						
L2	The student will enjoy reading books and telling a classmate about the book.						
L3	The student will enjoy reading books and will “read” it to a small group of students.						
Teacher:		Date Tested:					

2.10 Oral Language Development

- The teacher observes which students need more prompts to put their thought into words.

		N/A	1	2	3	4	5
L1 - L3	The student will use descriptive words to express themselves.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

3.0 Music and Movement

- Teacher's observation of active student's participation

		N/A	1	2	3	4	5
L1 - L3	The student will use creativity through music and dance.						
L2 - L3	The student will use movement to respond to what is being heard in songs.						
Teacher:		Date Tested:					

3.1 Music Appreciation – Rhyming

- The teacher will show recognition of the students rhyming skills.
- The teacher will make note of the students who easily can rhyme. This is a pre-reading skill.
- The teacher will provide additional practice for those needing it, informally on the playground for instance.

		N/A	1	2	3	4	5
L1 - L3	The student will experience the predictability of rhyming.						
L2 - L3	The student will rhyme words.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

3.2 Making Music – Rhythm

- Teacher will gauge abilities through students active participation

		N/A	1	2	3	4	5
L1 - L3	The student will produce their own music.						
L2 - L3	The student will create their own music.						
Teacher:		Date Tested:					

3.3 Visual Creativity

- The teacher will encourage original creative work and observe students designing outrageous dinosaurs.
- The teacher hears the students using words like: plant eater, meat eater, tall neck, big teeth, walks, flies, 4 legs, etc. – which is acknowledgment of their learning new vocabulary.

		N/A	1	2	3	4	5
L1 - L3	The student will use a variety of colors to create original work.						
L1 - L3	The student will use art as a form of creativity.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

3.4 Art Interpretation

- Teacher observation of student’s ability to imagine their hand as art.

		N/A	1	2	3	4	5
L1 - L3	The student will experience a common item as it becomes art.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

4.0 Size Comparison

- The teacher will take notice and acknowledge their thinking and comparison skills.

		N/A	1	2	3	4	5
L1	The student will sort play dinosaurs according to size: small, medium and large (big).						
Teacher:		Date Tested:					

4.1 Size Comparison

- The teacher will gauge their learning of the concept “bigger than or smaller than” through their responses to question prompts.

		N/A	1	2	3	4	5
L2	The student will demonstrate the huge size of many dinosaurs.						
Teacher:		Date Tested:					

4.2 Size Comparison

- The teacher will observe the students process and decision making for their various placement of the dinosaurs on the chart
- Teacher observation of student’s ability to compare the actual sizes of dinosaurs according to references (posters and books) and comparing their size to familiar objects and animals

		N/A	1	2	3	4	5
L3	The student will graphically compare dinosaur sizes.						
Teacher:		Date Tested:					

4.3 Number Sense

- The teacher will observe one to one correspondence of counting, making note of those student’s strengths and weaknesses for later review.

		N/A	1	2	3	4	5
L1	Student will count objects 1-5.	☐	☐	☐	☐	☐	☐
L2	Student will count objects 1-10.	☐	☐	☐	☐	☐	☐
L3	Student will count to 20.	☐	☐	☐	☐	☐	☐
Teacher:		Date Tested:					

4.4 Number Sense

- Teacher observation of students counting.
- L2 – L3 Teacher observation of the proper use of the words more and less as students demonstrate their mastery through the use of tangible objects.

		N/A	1	2	3	4	5
L1	Student will count objects 1-5.	☐	☐	☐	☐	☐	☐
L2	Student will count objects 1-10.	☐	☐	☐	☐	☐	☐
L3	Student will count to 20.	☐	☐	☐	☐	☐	☐
Teacher:		Date Tested:					

4.5 Number Recognition

- The teacher will notice and record the student abilities of number recognition and ordering, based on the time it took to complete the task.

		N/A	1	2	3	4	5
L1	Student will count objects 1-5.						
L2	Student will count objects 1-10.						
L3	Student will count to 20.						
Teacher:		Date Tested:					

4.6 Number Patterning

- L1 – L2 Teacher observation of students movement from counting the dots to recognition of the pattern, while encouraging trial and error.
- L2 – L3 Teacher observation as students learn the rules and demonstrate mastery of the game rules and strategy.

		N/A	1	2	3	4	5
L1	The student will count and match like amounts.						
L2 – L3	The student will match patterns and develop game strategy.						
Teacher:		Date Tested:					

4.7 Ordinal Sense

- Teacher observation of student’s ability to work in groups for completion of task, ability to understand the ordinal words, first, second and third and ability to use own creativity when drawing a dinosaur.

		N/A	1	2	3	4	5
L2	The student will work collaboratively with two other students to accomplish a task.						
L2	The student will successfully follow simple steps to create an original dinosaur.						
L2	The student will be able to understand and use the words; first, second and third when completing the dinosaur creation.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

5.0 Gross Motor Development

- Teacher observation of student's ability to engage in active play and to follow directions.

		N/A	1	2	3	4	5
L2	The student will engage in active play.						
L2	The student will follow simple safety rules while playing game.						
Teacher:		Date Tested:					

5.1 Gross Motor Development

- Teacher observation of student's ability to participate in active play.

		N/A	1	2	3	4	5
L2	The student will engage in active play.						
L2	The students will follow simple instructions to safely play hide and seek.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

6.0 Fine Motor Development

- The teacher will observe the ease in which students interact with the play dough and use of tools.

		N/A	1	2	3	4	5
L1 - L3	The student will manipulate materials developing finger strength and coordination.						
Teacher:		Date Tested:					

6.1 Using the Pincer Fingers

- Teacher observation of student's ability to use their pincer fingers to pick up the cold gummy bear.

		N/A	1	2	3	4	5
L1 - L3	The student will develop their pincer skills.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

7.0 Critical Thinking

- Teacher observation of student’s ability to form a response using prior knowledge to the proposed questions.

		N/A	1	2	3	4	5
L1 - L3	The student will formulate responses to real world questions.						
Teacher:		Date Tested:					

Teacher Notes/Remarks
