Introduction

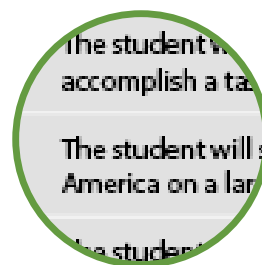

The International Preschool Curriculum® (IPC) sets high standards for early childhood education and provides teachers with a comprehensive framework for curriculum delivery, suggested activities and Assessment. Each thematic unit is drafted by one or more qualified and experienced curriculum drafters and reviewed by an advisory committee consisting of early childhood academics, consultants and teachers. The IPC offers a support network for teachers to discuss their ideas and obstacles and encourages its members to be at the forefront of the organization's development.

IPC Editorial Team

Dr. Erika Burton, Ph.D.
Prof. Donna Skinner, Ph.D.
Dr. Rebecca Reynolds, Ed.D.
Gabriela Brown, M.A.

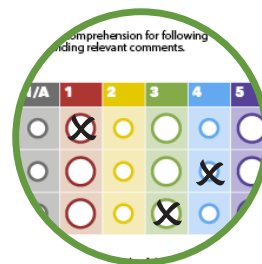

This indicates the content learning area or subject area for the learning objectives and activities.

All learning objectives are summarized at the beginning of each activity and duplicated in the assessment book for easy reference.

Instructions on how the teacher can best achieve the learning objectives. This is always at the beginning of each activity and should be read in advance to ensure that the teacher is comfortable and familiar with the activity.

For assessment purposes, all learning objectives are achieved on a scale from 1-5. (See *Assessment key for further detail*)

Example of a filled out Assessment:

1.0 Geography

- Teacher's constant observation of student's ability and demonstration of comprehension for following directions, answering questions and participating in discussion by providing relevant comments.

		N/A	1	2	3	4	5
L1 - L3	The student will follow a simple set of instructions to accomplish a task.	☐	☐	☒	☐	☐	☐
L1 - L3	The student will successfully locate Africa, Asia and North America on a large-scale map.	☐	☐	☐	☐	☐	☒
L1 - L3	The student will color in specific locations on a world map with assistance as needed.	☒	☐	☐	☐	☐	☐
Teacher: <i>Jane Doe</i>		Date Tested: <i>12/10/12</i>					

Assessment Key

N/A	Absent or ungraded
1	Insufficient or very basic understanding of the learning objective. Learning objective not attained.
2	Somewhat satisfactory understanding of the learning objective and execution of the activity.
3	Satisfactory understanding of the learning objective and execution of the activity.
4	Good understanding of the learning objective and demonstration of superior skills that allowed the objective to be completed without assistance.
5	Excellent understanding of the learning objective. Demonstration of superior skills with an initiative to discuss, share and reflect on the completed learning objective.

1.0 Identification

- Teacher observation of student's ability to use descriptive words to identify the shape, feel and taste of food items

		N/A	1	2	3	4	5
L1 - L3	The student will use descriptive words to identify the characteristics of a food item, such as size, shape and texture.						
L1 - L3	The student will select the hidden food item from food item flashcards.						
L1 - L3	The student will taste test and be able to describe the taste and smell of the food item.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

1.1 Graphing

- Teacher observation of student's participation in the whole class graphing, counting and individual coloring of cup cut-outs.

		N/A	1	2	3	4	5
L1 - L3	The student will follow simple directions to complete a task.						
L1 - L3	The student will taste test two items and identify his or her favorite one.						
L1 - L3	The student will participate in the whole class graphing session.						
L1 - L3	The student will count understanding and recognizing "how many" in sets of cups.						
L1 - L3	The student will make comparisons of quantities using words, such as more, less and the same.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

1.2 Sorting

- Teacher observation of student's ability to follow directions and work cooperatively with classmates to perform successfully in order to complete tasks.
- Teacher observation of student's ability to recall prior knowledge of "Food Pyramids" in order to recognize the different categories.

		N/A	1	2	3	4	5
L1 - L3	The student will sort food by following the "Food Pyramid" lesson.						
L1 - L3	The student will describe which food group is most important for a nutritional diet.						
Teacher:		Date Tested:					

1.3 Patterns

- Teacher observation of student's ability to follow simple directions and successfully create their own patterns.

		N/A	1	2	3	4	5
L1 - L3	The student will use plastic food items to create different patterns.						
L1 - L2	The student will describe which food group is most important for a nutritional diet.						
L1 - L3	The student will use plastic food items to begin ordering them into rows.						
Teacher:		Date Tested:					

1.4 Measurement

- Teacher observation of student’s ability to use non-standard units of measurement according to the teacher’s simple directions.

		N/A	1	2	3	4	5
L1 - L3	The student will use non-standard units of measurements.						
L1 - L3	The student will gather data about themselves to share with classmates.						
L1 - L3	The student will follow simple directions to complete the task.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.0 Reading Comprehension

- Teacher observation of student's ability to listen and participate in story discussion using relevant comments and using appropriate behavior during cooking.

		N/A	1	2	3	4	5
L1 - L3	The student will use listening skills as the teacher reads a story.						
L1 - L3	The student will be able to participate using relevant comments during the post-story reading discussion.						
L1 - L3	The student will be able to identify the ingredients to make a special breakfast menu.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.1 Concentration

- Teacher observation of student's ability to cut and paste food items to make flashcards.
- Teacher observation of student's ability to concentrate and use memory to successfully play concentration game.

		N/A	1	2	3	4	5
L1 - L3	The student will be able to create own food item object flashcards.						
L1 - L3	The student, after naming food object cards, will cover their eyes while one is removed and they will successfully identify the missing food item.						
L1 - L3	The student will follow simple rules to play the concentration game.						
L1 - L3	The student will be able to name most of the food items on flashcards.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

3.0 Character and Emotional Education

- Teacher observation of student's ability to listen to a story and be able to discuss the feelings of characters.

		N/A	1	2	3	4	5
L1 - L3	The student will use appropriate communication skills when expressing needs, wants and feelings.						
L1 - L3	The student will use socially appropriate ways to resolve conflict.						
L1 - L3	The student will follow simple rules to play the concentration game.						
L1 - L3	The student will demonstrate the ability to communicate in positive ways.						
Teacher:		Date Tested:					

3.1 Emotions

- Teacher observation of student's ability to play cooperatively with a partner.

		N/A	1	2	3	4	5
L1 - L3	The student will participate in games that will identify feelings within themselves and others.						
L1 - L3	The student will have a safe place to express emotions in the safety of their classroom.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

3.2 Character and Emotional Education

- Teacher observation of student's ability to follow directions and simulate different emotions.

		N/A	1	2	3	4	5
L1 - L3	The student will use prior knowledge to identify different feelings and emotions.						
L1 - L3	The student will be able to follow simple step directions in order to play a game successfully.						
Teacher:		Date Tested:					

3.3 Character and Emotional Education

- Teacher observation of student's ability to talk openly about their feelings.

		N/A	1	2	3	4	5
L1 - L3	The student will create a "Feelings Book."						
L2 - L3	The student will discuss moments in their life that make them feel happy, sad, mad or surprised.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

4.0 Nutrition

- Teacher observation of student's ability to participate actively in an observation and tasting activity.

		N/A	1	2	3	4	5
L1 - L3	The student will use senses to observe and examine the different types of fruits.	☐	☐	☐	☐	☐	☐
L1 - L3	The student will be able to use descriptive words and show the ability to describe the differences between fruits.	☐	☐	☐	☐	☐	☐
L1 - L3	The student will explain his or her favorite fruit and be able to explain why.	☐	☐	☐	☐	☐	☐
Teacher:		Date Tested:					

4.1 Agriculture and Technology

- Teacher observation of student's ability to use the computer to learn about fruits.

		N/A	1	2	3	4	5
L1 - L3	The student will use listening skills to learn about bananas, pears and apples.	☐	☐	☐	☐	☐	☐
L1 - L3	The student will be able to learn from specific websites.	☐	☐	☐	☐	☐	☐
L1 - L3	The student will be able to successfully demonstrate the basic handling of a mouse.	☐	☐	☐	☐	☐	☐
Teacher:		Date Tested:					

4.2 Fruits

- Teacher observation of student's ability to follow multiple steps, guided or not, in order to complete the fruit basket project.

		N/A	1	2	3	4	5
L1 - L3	The student will use fine motor skills to cut fruit pictures.						
L1 - L3	The student will be able to identify at least three fruits in his/her basket.						
L1 - L3	The student will successfully complete the project (some guidance may be required depending on the level of ability).						
Teacher:		Date Tested:					

4.3 Scientific Observation

- Teacher observation of student's participation during the group preparation of peanut butter.

		N/A	1	2	3	4	5
L1 - L3	The student will observe the changes that ingredients go through while making the homemade peanut butter.						
L1 - L3	The student will make predictions before the experiment and process begin.						
L1 - L3	The student will successfully follow the teacher's lead in making the homemade peanut butter.						
Teacher:		Date Tested:					

4.4 Food and Nutrition

- Teacher observation of student's ability to cut out food items and place them correctly according to the Food Pyramid's guidelines.

		N/A	1	2	3	4	5
L1 - L3	The student will use fine motor skills to cut food items.						
L1 - L3	The student will use prior knowledge to identify some food by name.						
L1 - L3	The student will place food cut-outs on the "Food Pyramid," according to relevance, with the help of the teacher.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

4.5 Nutrition

- Teacher observation of student's ability to follow multiple steps and be able to identify between nutritional and unhealthy food items.

		N/A	1	2	3	4	5
L1 - L3	The student will use fine motor skills to cut out food items.						
L1 - L3	The student will recognize a nutritional plate of food versus an unhealthy plate of food.						
L1 - L3	The student will identify good eating choices.						
L1 - L3	The student will use prior knowledge about the "Food Pyramid" to complete a task.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

4.6 Origin

- Teacher observation of student’s ability to connect what is being learned through a field trip to what is taught in a class activity.

		N/A	1	2	3	4	5
L1 - L3	The student will learn that fruits or vegetables grow above the ground or underground.						
L1 - L3	The student will be able to identify some fruits and vegetables by name.						
L1 - L3	The student will work together to decide if a specific fruit or vegetable grows underground, above the ground or on a tree.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

5.0 Movement

- Teacher observation of student's ability to listen to game directions and follow through.
- Teacher observation of student's color recognition and ability to name different food items.

		N/A	1	2	3	4	5
L1 - L3	The student will walk around looking for foods of specific colors.						
L1 - L3	The student will successfully follow the directions of the activity.						
L1 - L3	The student will use gross motor skills, memory retention and sense of sight to complete a task.						
Teacher:		Date Tested:					

5.1 Gross Motor

- Teacher observation of student's ability to follow simple rules to play safe and perform different developmentally appropriate but challenging gross motor movements.

		N/A	1	2	3	4	5
L1 - L3	The student will coordinate movement to perform a task.						
L1 - L3	The student will follow simple safety rules while participating in activities.						
L1 - L3	The student will move in locomotor (non-anchored movement) ways.						
Teacher:		Date Tested:					

5.2 Gross Motor

- Teacher observation of student’s ability to coordinate movement according to age in order to show developing throwing skill.

		N/A	1	2	3	4	5
L1 - L3	The student will work on developing their throwing skill.						
L1 - L3	The student will follow the directions of each of the games.						
Teacher:		Date Tested:					

Teacher Notes/Remarks
