# Introduction

The International Preschool Curriculum® (IPC) sets high standards for early childhood education and provides teachers with a comprehensive framework for curriculum delivery, suggested activities and Assessment. Each thematic unit is drafted by one or more qualified and experienced curriculum drafters and reviewed by an advisory committee consisting of early childhood academics, consultants and teachers. The IPC offers a support network for teachers to discuss their ideas and obstacles and encourages its members to be at the forefront of the organization's development.

## IPC Editorial Team

Dr. Erika Burton, Ph.D.

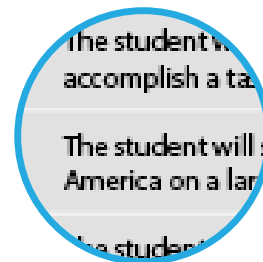

Prof. Donna Skinner, Ph.D.

Dr. Rebecca Reynolds, Ed.D.

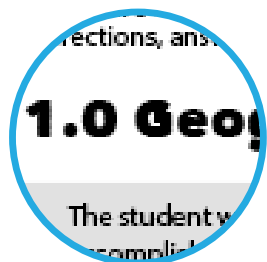

Gabriela Brown, M.A.

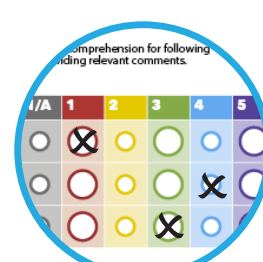

This indicates the content learning area or subject area for the learning objectives and activities.

All learning objectives are summarized at the beginning of each activity and duplicated in the assessment book for easy reference.

Instructions on how the teacher can best achieve the learning objectives. This is always at the beginning of each activity and should be read in advance to ensure that the teacher is comfortable and familiar with the activity.

For assessment purposes, all learning objectives are achieved on a scale from 1-5. (See Assessment key for further detail)

## Example of a filled out assessment:

# 1.0 Geography

- Teacher's constant observation of student's ability and demonstration of comprehension for following directions, answering questions and participating in discussion by providing relevant comments.

|                          |                                                                                           | N/A                              | 1                     | 2                                | 3                     | 4                     | 5                                |
|--------------------------|-------------------------------------------------------------------------------------------|----------------------------------|-----------------------|----------------------------------|-----------------------|-----------------------|----------------------------------|
| L1 - L3                  | The student will follow a simple set of instructions to accomplish a task.                | <input type="radio"/>            | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>            |
| L1 - L3                  | The student will successfully locate Africa, Asia and North America on a large-scale map. | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |
| L1 - L3                  | The student will color in specific locations on a world map with assistance as needed.    | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/> | <input type="radio"/>            |
| Teacher: <i>Jane Doe</i> |                                                                                           | Date Tested: <i>12/10/12</i>     |                       |                                  |                       |                       |                                  |

## Assessment Key

|     |                                                                                                                                                                           |
|-----|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| N/A | Absent or ungraded                                                                                                                                                        |
| 1   | Insufficient or very basic understanding of the learning objective. Learning objective not attained.                                                                      |
| 2   | Somewhat satisfactory understanding of the learning objective and execution of the activity.                                                                              |
| 3   | Satisfactory understanding of the learning objective and execution of the activity.                                                                                       |
| 4   | Good understanding of the learning objective and demonstration of superior skills that allowed the objective to be completed without assistance.                          |
| 5   | Excellent understanding of the learning objective. Demonstration of superior skills with an initiative to discuss, share and reflect on the completed learning objective. |

# 1.0 Anatomy

- Teacher observation of student’s comprehension of various body parts as they are read aloud.
- Teacher’s observation of student’s ability to create and explain their body parts collage.

|          |                                                                                 | N/A                                                                                 | 1                                                                                   | 2                                                                                   | 3                                                                                   | 4                                                                                   | 5                                                                                   |
|----------|---------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| L1 - L3  | Following the discussion, the student will identify several body parts by name. |  |  |  |  |  |  |
| L1 - L3  | The student will create a body parts collage.                                   |  |  |  |  |  |  |
| L1 - L3  | The student will be able to participate in whole class discussion.              |  |  |  |  |  |  |
| L1 - L3  | The student will follow basic health and safety rules.                          |  |  |  |  |  |  |
| Teacher: |                                                                                 | Date Tested:                                                                        |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |

Teacher Notes/Remarks

# 1.1 Health

- Teacher observation of student’s ability to understand and develop awareness of basic hygiene and healthy dental habits.

|          |                                                                                                | N/A          | 1 | 2 | 3 | 4 | 5 |
|----------|------------------------------------------------------------------------------------------------|--------------|---|---|---|---|---|
| L1 - L3  | The student will learn about important dental hygiene habits.                                  |              |   |   |   |   |   |
| L1 - L3  | The student will develop awareness for personal hygiene.                                       |              |   |   |   |   |   |
| L1 - L3  | The student will identify healthy nutrition that promotes healthy teeth and those that do not. |              |   |   |   |   |   |
| L1 - L3  | The student will listen attentively to stories.                                                |              |   |   |   |   |   |
| Teacher: |                                                                                                | Date Tested: |   |   |   |   |   |

Teacher Notes/Remarks

## 1.2 Nutrition

- Teacher observation of student's ability to follow multiple steps and be able to identify between nutritional and unhealthy food items.

|          |                                                                                                                           | N/A                                                                                 | 1                                                                                   | 2                                                                                   | 3                                                                                   | 4                                                                                   | 5                                                                                   |
|----------|---------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| L1 - L3  | The student will develop awareness for the importance of healthy eating.                                                  |  |  |  |  |  |  |
| L1 - L3  | The student will use fine motor skills to cut out food items.                                                             |  |  |  |  |  |  |
| L1 - L3  | The student will recognize a nutritional plate of food versus an unhealthy plate of food.                                 |  |  |  |  |  |  |
| L1 - L3  | The student will identify good eating choices.                                                                            |  |  |  |  |  |  |
| L1 - L3  | The student will practice proper hygiene habits and self-help skills such as washing hands before eating a snack or meal. |  |  |  |  |  |  |
| Teacher: |                                                                                                                           | Date Tested:                                                                        |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |

### Teacher Notes/Remarks

# 1.3 Community Awareness

- Teacher observation of student’s ability to listen to the story and participate in a productive way demonstrating comprehension during whole class discussions.
- Teacher observation of students developing awareness for staying safe and understanding those community helpers that foster our safety.

|         |                                                                                                                                                                                                                                     | N/A | 1 | 2 | 3 | 4 | 5 |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|---|---|---|---|---|
| L1 - L3 | The student will develop understanding for careers that promote our health and safety.                                                                                                                                              |     |   |   |   |   |   |
| L1 - L3 | The student will understand dial 911 or our countries emergency number if ever faced with an emergency.                                                                                                                             |     |   |   |   |   |   |
| L1 - L3 | The student will discuss the roles of doctors, dentist, fire fighters and police officers.                                                                                                                                          |     |   |   |   |   |   |
| L1 - L3 | The student will follow basic safety rules and discuss some safety rules important to staying safe, such as looking both ways before crossing street, playing indoors during a thunderstorm, avoiding hot stoves and sharp objects. |     |   |   |   |   |   |

## Teacher Notes/Remarks

## 2.0 Social Studies

- Teacher observation of student's increasing comprehension and developing awareness.

|          |                                                                                                                | N/A          | 1 | 2 | 3 | 4 | 5 |
|----------|----------------------------------------------------------------------------------------------------------------|--------------|---|---|---|---|---|
| L1 - L3  | The student will develop self-awareness.                                                                       |              |   |   |   |   |   |
| L1 - L3  | The student will learn about their body being private.                                                         |              |   |   |   |   |   |
| L1 - L3  | The student will develop awareness of safe boundaries and how to distinguish between "good" and "bad" touches. |              |   |   |   |   |   |
| L1 - L3  | The student will learn to respond appropriately to dealing with such issues.                                   |              |   |   |   |   |   |
| Teacher: |                                                                                                                | Date Tested: |   |   |   |   |   |

### Teacher Notes/Remarks

# 3.0 Letter Recognition

- Teacher observation of student’s ability to recite alphabet and begin identifying beginning sounds.

|          |                                                                                                                                                                                                          | N/A          | 1 | 2 | 3 | 4 | 5 |
|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|---|---|---|---|---|
| L1 - L3  | The student will sing along the alphabet song.                                                                                                                                                           |              |   |   |   |   |   |
| L1 - L3  | The student will follow a simple set of rules.                                                                                                                                                           |              |   |   |   |   |   |
| L1 - L3  | The student will not leave the room unless they ask for permission.                                                                                                                                      |              |   |   |   |   |   |
| L1 - L3  | When arriving at school, going to recess time or prepping to go home the student will manage his/ her own zipper, shoe laces, buckles, Velcro, hat, gloves and coat in an increasing independent manner. |              |   |   |   |   |   |
| Teacher: |                                                                                                                                                                                                          | Date Tested: |   |   |   |   |   |

## Teacher Notes/Remarks

## 3.1 Reading Comprehension

- Teacher observation of student's ability to listen attentively to the story and be able to partake in whole class discussion by conveying relevant, personal experiences and using prior knowledge when sharing healthy habits.

|          |                                                                                           | N/A                                                                                 | 1                                                                                   | 2                                                                                   | 3                                                                                   | 4                                                                                   | 5                                                                                   |
|----------|-------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| L1 - L3  | The student will listen attentively to story.                                             |  |  |  |  |  |  |
| L1 - L3  | The student will participate in whole class discussion after listening to story.          |  |  |  |  |  |  |
| L1 - L3  | The student will follow simple steps in order to make tooth-fairy keepsake box.           |  |  |  |  |  |  |
| L1 - L3  | The student will use previous knowledge to discuss healthy oral habits.                   |  |  |  |  |  |  |
| L1 - L3  | The student will develop awareness for the difference between baby teeth and adult teeth. |  |  |  |  |  |  |
| Teacher: |                                                                                           | Date Tested:                                                                        |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |

**Teacher Notes/Remarks**

# 4.0 Number Recognition

- Teacher observation of students ability to listen and discuss their experience.
- Teacher observation of student’s ability to count to 10 or higher and ability to work in collaboration with another student while using one-to-one correspondence.

|          |                                                       | N/A          | 1 | 2 | 3 | 4 | 5 |
|----------|-------------------------------------------------------|--------------|---|---|---|---|---|
| L1 - L3  | The student will use one-to-one correspondence.       |              |   |   |   |   |   |
| L1 - L3  | The student will successfully count to 10 or higher.  |              |   |   |   |   |   |
| L1 - L3  | The student will count their own teeth.               |              |   |   |   |   |   |
| L1 - L3  | The student will collaborate while working in groups. |              |   |   |   |   |   |
| Teacher: |                                                       | Date Tested: |   |   |   |   |   |

# 4.1 Graphing

- Teacher observation of student’s ability to respond to questions being asked in order to graph the information.

|          |                                                                                                          | N/A          | 1 | 2 | 3 | 4 | 5 |
|----------|----------------------------------------------------------------------------------------------------------|--------------|---|---|---|---|---|
| L1 - L3  | The student will participate in a whole classroom graphing exercise.                                     |              |   |   |   |   |   |
| L1 - L3  | The student will develop understanding on how a graph shows the information gathered from a large group. |              |   |   |   |   |   |
| Teacher: |                                                                                                          | Date Tested: |   |   |   |   |   |

## 5.0 Drama

- Teacher observation of student's ability to engage in role playing using appropriate and developing social interactive skills.

|          |                                                                                              | N/A          | 1 | 2 | 3 | 4 | 5 |
|----------|----------------------------------------------------------------------------------------------|--------------|---|---|---|---|---|
| L1 - L3  | The student will actively participate in role-playing community helpers.                     |              |   |   |   |   |   |
| L1 - L3  | The student will develop awareness for the importance of community helpers in our community. |              |   |   |   |   |   |
| L1 - L3  | The student will know and practice basic safety rules for playing indoors or outdoors.       |              |   |   |   |   |   |
| L1 - L3  | The student will button, unbutton, tie and untie with increasing independence.               |              |   |   |   |   |   |
| L1 - L3  | The student will play using appropriate social skills.                                       |              |   |   |   |   |   |
| Teacher: |                                                                                              | Date Tested: |   |   |   |   |   |

### Teacher Notes/Remarks

## 5.1 Music Rhymes

- Teacher observation of student's active participation.

|          |                                                                                                                                                                                                                           | N/A                                                                                | 1                                                                                   | 2                                                                                   | 3                                                                                   | 4                                                                                   | 5                                                                                   |
|----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| L1 - L3  | The student will successfully listen and repeat rhymes.                                                                                                                                                                   |  |  |  |  |  |  |
| L1 - L3  | The student will continue developing awareness for healthy habits and proper etiquette such as; covering mouth while sneezing, washing hands, brushing teeth, blowing nose using a tissue and using toilet independently. |  |  |  |  |  |  |
| Teacher: |                                                                                                                                                                                                                           | Date Tested:                                                                       |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |

## 5.2 Visual Art

- Teacher observation of student's ability to use different materials to create a unique self-expressive piece of art.

|          |                                                                                                        | N/A                                                                                  | 1                                                                                     | 2                                                                                     | 3                                                                                     | 4                                                                                     | 5                                                                                     |
|----------|--------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| L1 - L3  | The student will use art as a means for self-expression.                                               |   |   |   |   |   |   |
| L1 - L3  | The student will use a variety of diverse and different materials to form an art piece that is unique. |  |  |  |  |  |  |
| L1 - L3  | The student will successfully follow directions to perform task with maximum achievement.              |  |  |  |  |  |  |
| Teacher: |                                                                                                        | Date Tested:                                                                         |                                                                                       |                                                                                       |                                                                                       |                                                                                       |                                                                                       |

**Teacher Notes/Remarks**

## 6.0 Gross Motor

- Teacher observation of student's ability to play in a group following safety rules.
- Teacher observation of student's ability to run according to age and developing stamina, flexibility and gross motor muscles.

|----------|---------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
| L1 - L3  | The student will increase gross motor development.                                                      |  |  |  |  |  |  |
| L1 - L3  | The student will increase understanding for the importance of being clean and keeping their toys clean. |  |  |  |  |  |  |
| L1 - L3  | The student will follow simple rules for playing accordingly.                                           |  |  |  |  |  |  |
| Teacher: |                                                                                                         | Date Tested:                                                                       |                                                                                     |                                                                                     |                                                                                     |                                                                                     |                                                                                     |

## Teacher Notes/Remarks

## 6.2 Gross Motor

- Teacher observation of student's on-going development of gross motor skills, active participation during games and healthy self-awareness.

|          |                                                                                           | N/A          | 1 | 2 | 3 | 4 | 5 |
|----------|-------------------------------------------------------------------------------------------|--------------|---|---|---|---|---|
| L1 - L3  | The student will stand on either foot for five seconds with arms out on sides.            |              |   |   |   |   |   |
| L1 - L3  | The student will develop their understanding for the importance of exercise through play. |              |   |   |   |   |   |
| L1 - L3  | The student will walk backwards heel-to-toe for six feet with arms out at sides.          |              |   |   |   |   |   |
| L1 - L3  | The student will throw a ball.                                                            |              |   |   |   |   |   |
| L1 - L3  | The student will kick a ball forward at least six feet.                                   |              |   |   |   |   |   |
| L1 - L3  | The student will jump backwards.                                                          |              |   |   |   |   |   |
| L1 - L3  | The student will begin to try to coordinate both arms and legs to do jumping jacks.       |              |   |   |   |   |   |
| L1 - L3  | The student will be able to hop in place two-four times on one foot.                      |              |   |   |   |   |   |
| Teacher: |                                                                                           | Date Tested: |   |   |   |   |   |
