Introduction

The International Preschool Curriculum® (IPC) sets high standards for early childhood education and provides teachers with a comprehensive framework for curriculum delivery, suggested activities and Assessment. Each thematic unit is drafted by one or more qualified and experienced curriculum drafters and reviewed by an advisory committee consisting of early childhood academics, consultants and teachers. The IPC offers a support network for teachers to discuss their ideas and obstacles and encourages its members to be at the forefront of the organization's development.

IPC Editorial Team

Dr. Erika Burton, Ph.D.

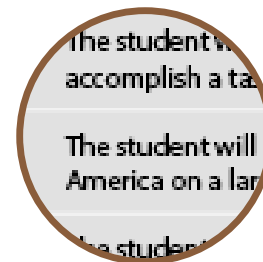

Prof. Donna Skinner, Ph.D.

Dr. Rebecca Reynolds, Ed.D.

Gabriela Brown, M.A.

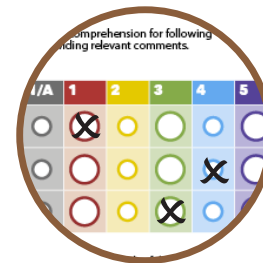

This indicates the content learning area or subject area for the learning objectives and activities.

All learning objectives are summarized at the beginning of each activity and duplicated in the assessment book for easy reference.

Instructions on how the teacher can best achieve the learning objectives. This is always at the beginning of each activity and should be read in advance to ensure that the teacher is comfortable and familiar with the activity.

For assessment purposes, all learning objectives are achieved on a scale from 1-5. (See Assessment key for further detail)

Example of a filled out Assessment:

1.0 Geography

- Teacher's constant observation of student's ability and demonstration of comprehension for following directions, answering questions and participating in discussion by providing relevant comments.

		N/A	1	2	3	4	5
L1 - L3	The student will follow a simple set of instructions to accomplish a task.	☐	☐	☒	☐	☐	☐
L1 - L3	The student will successfully locate Africa, Asia and North America on a large-scale map.	☐	☐	☐	☐	☐	☒
L1 - L3	The student will color in specific locations on a world map with assistance as needed.	☒	☐	☐	☐	☐	☐
Teacher: <i>Jane Doe</i>		Date Tested: <i>12/10/12</i>					

Assessment Key

N/A	Absent or ungraded
1	Insufficient or very basic understanding of the learning objective. Learning objective not attained.
2	Somewhat satisfactory understanding of the learning objective and execution of the activity.
3	Satisfactory understanding of the learning objective and execution of the activity.
4	Good understanding of the learning objective and demonstration of superior skills that allowed the objective to be completed without assistance.
5	Excellent understanding of the learning objective. Demonstration of superior skills with an initiative to discuss, share and reflect on the completed learning objective.

1.0 Gross Motor

- Teacher observation of student's ability to listen and follow simple rules to game.
- Teacher observation of student's ability to identify zoo animal and be able to imitate a specific movement for that specific animal.

		N/A	1	2	3	4	5
L1 - L3	The student will engage in fun activities that will promote the development of their gross motor muscles.						
L1 - L3	The student will listen attentively to directions.						
L1 - L3	The student will identify animals by name and be able to pretend being that animal.						
Teacher:		Date Tested:					

1.1 Gross Motor

- Teacher observation of student's gross motor ability and development according to their age.

		N/A	1	2	3	4	5
L1 - L3	The student will be able to follow directions and play Duck, Duck Goose and other games.						
L1 - L3	The student will successfully run appropriate for age developing gross motor muscles.						
Teacher:		Date Tested:					

1.2 Gross Motor

- Teacher observation of student’s ability to move freely and express feelings through free-form dance.

		N/A	1	2	3	4	5
L1 - L3	The student will learn about spatial awareness.						
L1 - L3	The student will engage in free-form dancing to express himself.						
L1 - L3	The student will develop an awareness and ability to coordinate his movements through dance.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.0 Animal Identification

- Teacher observation of student's engagement and attention during activity.
- Teacher observation of student's ability to follow directions and play accordingly with sand including finding, naming and giving at least one fact about their animal finds.

		N/A	1	2	3	4	5
L1 - L3	The student will successfully identify at least 5 different zoo animals by name and at least by one special characteristic.						
L1 - L3	The student will play in sand pit discovering zoo animals.						
L1 - L3	The student will listen attentively to the story and be able to participate in an age appropriate discussion.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.1 Nature

- Teacher observation of student’s ability to the listen attentively to story while developing awareness of the African Savanna and the animals that inhabit that area of the world.

		N/A	1	2	3	4	5
L1 - L3	The student will attentively listen to the story.						
L1 - L3	The student will engage in a post story discussion.						
L1 - L3	The student will develop an awareness pertaining to the location and special characteristics of the African Savanna.						
L1 - L3	The student will be able to locate the African Savanna on a large-scale map.						
L1 - L3	The student will make a painting of their interpretation of the African Savanna.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.2 Nature

- Teacher observation of student’s ability to engage in discussion using critical thinking and prior knowledge.

		N/A	1	2	3	4	5
L1 - L3	The student will learn about bears including their habitat and diet.						
L1 - L3	The student will listen attentively to story and be able to engage in a discussion.						
L1 - L3	The student will be able to name at least several special characteristics about bears.						
L1 - L3	The student will use various types of materials to create a bear.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

3.0 Social Studies

- Teacher observation of student’s ability to listen and comprehend information being read and discussed.
- Teacher observation of student’s active participation during pretend playtime.

		N/A	1	2	3	4	5
L1 - L3	The student will develop awareness of careers that correspond to working at a Zoo.						
L1 - L3	The student will pretend play to develop an understanding about animal care careers.						
L1 - L3	The student will communicate effectively using age appropriate vocabulary to describe at least one type of career found in a zoo.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

3.1 Social Studies

- Teacher observation of student's ability to behave properly during a school field trip.
- Teacher's observation of student's ability to name one or two facts about their favorite stuffed zoo animal.

		N/A	1	2	3	4	5
L1 - L3	The student will observe different animals and their habitats.						
L1 - L3	The student will demonstrate proper behavior skills while visiting the zoo.						
L1 - L3	The student will successfully participate in the zoo visit activity.						
Teacher:		Date Tested:					

3.2 International Studies

- Teacher observation of student's ability to concentrate and participate in the pretend safari, ability to name the animals or more and at least one characteristic for each animal.
- Teacher observation of student's ability to color in African map.

		N/A	1	2	3	4	5
L1 - L3	The students will participate in a make believe African Safari.						
L1 - L3	The students will be able to locate the continent of Africa and at least one other using a large-scale map.						
Teacher:		Date Tested:					

4.0 Phonics

- Teacher observation of student’s ability to recite the alphabet with maximum and increasing capability, and finally ability to follow simple steps in order to finalize ABC book.

		N/A	1	2	3	4	5
L1 - L3	The student will identify beginning sounds in familiar words corresponding to the zoo.						
L1 - L3	The student will trace over different letters using an assortment of materials.						
L1 - L3	The student will participate in a class discussion using appropriate expressive language.						
L1 - L3	The student will follow simple steps to create “Animal Zoo Book.”						
Teacher:		Date Tested:					

Teacher Notes/Remarks

4.1 Critical Thinking and Memory

- Teacher observation of student’s ability to follow simple rules in order to play the memory game.

		N/A	1	2	3	4	5
L1 - L3	The student will listen attentively to the directions and successfully follow the rules of the games.						
L1 - L3	The student will use critical thinking and memory skills to proceed throughout the game.						
L1 - L3	The student will recall information using memory and logic.						
L1 - L3	The student will play cooperatively with another student.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

4.2 Reading Comprehension and Application

- Teacher observation of student’s ability to listen attentively, discuss using relevancy, draw and color their favorite part of story and share their drawing by articulating age appropriately.

		N/A	1	2	3	4	5
L1 - L3	The student will listen with increasing attention.						
L1 - L3	The student will apply their favorite part of the story to the task at hand.						
L1 - L3	The student will be able to discuss and verbalize using mostly correct spoken language when sharing work.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

4.3 Vocabulary

- Teacher observation of student's ability to listen to story and participate in all discussions.
- Teacher observation of student's ability to comprehend position words

		N/A	1	2	3	4	5
L1 - L3	The student will listen attentively to the story.						
L1 - L3	The student will be able to distinguish between positioning words.						
L1 - L3	When the teacher instructs the student to position something using a specific position word the student will successfully do so.						
L1 - L3	The student will engage the in position word activity.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

5.0 Graphing

- Teacher observation of student’s ability to follow instructions in order to complete the whole class activity.

		N/A	1	2	3	4	5
L1 - L3	The student will successfully graph data.						
L1 - L3	The student will vote on their favorite zoo animal.						
L1 - L3	The student will engage fully in the group activity.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

5.1 Counting

- Teacher observation of student's ability to fully engage in singing and moving to song/book/rhyme.
- Teachers observation of student's ability to count to a given number by peer.

		N/A	1	2	3	4	5
L1 - L3	The students will develop the ability to count independently.						
L1 - L3	The student will follow the teachers lead in order to sing along.						
L1 - L3	The student will use counters to practice counting.						
L1 - L3	The student will listen attentively to story.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

5.2 Number Recognition

- Teacher observation of student’s ability to count as a group and count independently using one-to-one correspondence.

		N/A	1	2	3	4	5
L1 - L3	The student will learn to recognize numbers 1-25, depending on their level.						
L1 - L3	The student will be able to count up to 25 objects.						
L1 - L3	The student will use one-to-one correspondence.						
Teacher:		Date Tested:					

5.3 Geometry

- Teacher’s observation of student’s ability to identify and match their shapes.
- Teacher observation of student’s ability to match animal shapes to the corresponding pair.

		N/A	1	2	3	4	5
L1 - L3	The student will demonstrate the ability to recognize and name common shapes and their attributes.						
L2 - L3	The student will be able to compare two or more shapes and their attributes.						
Teacher:		Date Tested:					

6.0 Music and Creative Movement

- Teacher observation of students active participation.

		N/A	1	2	3	4	5
L1 - L3	The students will partake in singing and dancing to the different songs and rhymes all pertaining to animals.						
L1 - L3	The student will use music and movement for self-expression.						
Teacher:		Date Tested:					

6.1 Creative and Visual Arts

- Teacher observation of student's ability to color using their own personal creativity and student's ability to role play pretending to be a zoo animal

		N/A	1	2	3	4	5
L1 - L3	The student will use colors and forms to develop self awareness and self-expression through art.						
L1 - L3	The student will follow instructions to successfully complete task.						
L1 - L3	The student will pretend to be a zoo animal during dramatic play.						
Teacher:		Date Tested:					

Teacher Notes/Remarks
