Introduction

The International Preschool Curriculum® (IPC) sets high standards for early childhood education and provides teachers with a comprehensive framework for curriculum delivery, suggested activities and Assessment. Each thematic unit is drafted by one or more qualified and experienced curriculum drafters and reviewed by an advisory committee consisting of early childhood academics, consultants and teachers. The IPC offers a support network for teachers to discuss their ideas and obstacles and encourages its members to be at the forefront of the organization's development.

IPC Editorial Team
