Introduction

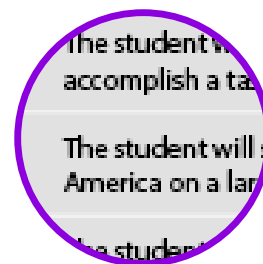

The International Preschool Curriculum® (IPC) sets high standards for early childhood education and provides teachers with a comprehensive framework for curriculum delivery, suggested activities and Assessment. Each thematic unit is drafted by one or more qualified and experienced curriculum drafters and reviewed by an advisory committee consisting of early childhood academics, consultants and teachers. The IPC offers a support network for teachers to discuss their ideas and obstacles and encourages its members to be at the forefront of the organization's development.

IPC Editorial Team

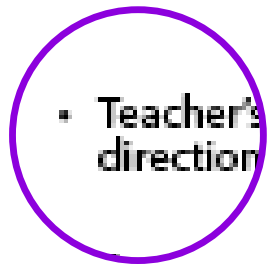

Dr. Erika Burton, Ph.D.
Prof. Donna Skinner, Ph.D.
Dr. Rebecca Reynolds, Ed.D.
Gabriela Brown, M.A.

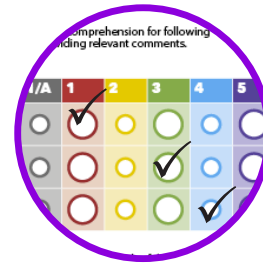

This indicates the content learning area or subject area for the learning objectives and activities.

All learning objectives are summarized at the beginning of each activity and duplicated in the assessment book for easy reference.

Instructions on how the teacher can best achieve the learning objectives. This is always at the beginning of each activity and should be read in advance to ensure that the teacher is comfortable and familiar with the activity.

For assessment purposes, all learning objectives are achieved on a scale from 1-5. (See Assessment key for further detail)

Example of a filled out assessment:

1.0 Geography

- Teacher’s constant observation of student’s ability and demonstration of comprehension for following directions, answering questions and participating in discussion by providing relevant comments.

	N/A	1	2	3	4	5
(L1-L3) The student will follow a simple set of instructions to accomplish a task.	☐	☐	☒	☐	☐	☐
(L1-L3) The student will successfully locate Africa, Asia and North America on a large-scale map.	☐	☐	☐	☐	☐	☒
(L1-L3) The student will color in specific locations on a world map with assistance as needed.	☒	☐	☐	☐	☐	☐
Teacher: Jane Doe	Date Tested: 12,10,12					

Assessment Key

N/A	Absent or ungraded
1	Insufficient or very basic understanding of the learning objective. Learning objective not attained.
2	Somewhat satisfactory understanding of the learning objective and execution of the activity.
3	Satisfactory understanding of the learning objective and execution of the activity.
4	Good understanding of the learning objective and demonstration of superior skills that allowed the objective to be completed without assistance.
5	Excellent understanding of the learning objective. Demonstration of superior skills with an initiative to discuss, share and reflect on the completed learning objective.

1.0 Numeracy

- Teacher observation of students' active participation throughout the various steps of the activity.

		N/A	1	2	3	4	5
L1 - L3	The student will count aloud, along with peers and teacher.						
L1 - L3	The student will work collaboratively to graph information collected.						
L1 - L3	The student will classify objects by characteristics.						
Teacher:		Date Tested:					

1.1 Geometry and Measurement

- Teacher observation of student's ability to follow directions, work cooperatively with classmates to perform a task in order, successfully.
- Teacher observation of student's ability to recall prior knowledge of "Food Pyramids" in order to recognize the different food categories/groups.

		N/A	1	2	3	4	5
L1 - L3	The student will recognize, extend and create simple patterns.						
L1 - L3	The student will use self-models to recognize relationships of 'greater than' and 'lesser than' when graphing.						
L1 - L3	The student will classify objects by characteristics.						
Teacher:		Date Tested:					

1.2 Patterns and Relationship

- Teacher observation of student’s ability to follow directions, work cooperatively with classmates to perform a task in order, successfully.
- Teacher observation of student’s ability to recall prior knowledge of “Food Pyramids” in order to recognize the different food categories/groups.

		N/A	1	2	3	4	5
L1 - L3	The student will recognize, extend and create simple patterns.						
L1 - L3	The student will use self-models to recognize relationships of 'greater than' and 'lesser than' when graphing.						
L1 - L3	The student will classify objects by characteristics.						
Teacher:		Date Tested:					

1.3 Problem Solving

- Teacher observation of student’s ability to work together demonstrating knowledge of number order.

		N/A	1	2	3	4	5
L1 - L2	The student will work collaboratively to accomplish a group goal.						
L1 - L3	The student will use the steps in problem-solving.						
L1 - L3	The student will be able to work individually without group or teacher input.						
Teacher:		Date Tested:					

2.0 Phonics

- Teacher observation of student's ability to identify letters in the alphabet and their own name.

		N/A	1	2	3	4	5
L1 - L3	The student will use visual discrimination to demonstrate knowledge of alphabet.						
L1 - L3	The student will recite letters of the alphabet.						
L1 - L3	The student will identify letter sounds.						
L1 - L3	The student will recognize their own name and participate in various name activities and games.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.1 Listening and Speaking

- Teacher observation of student’s ability to express ideas and feeling about story using adequate language for their age and language level.
- Teacher observation for student’s ability to follow simple steps during attributes and body parts games.

		N/A	1	2	3	4	5
L1 - L3	The student will listen attentively to a story and will be able to participate in post classroom discussion.						
L1 - L3	The student will express ideas orally, using understandable and appropriate language.						
L1 - L3	The student will speak in complete sentences.						
L1 - L3	The student will recognize their own name and participate in various name activities and games.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.2 Composition and Grammar

- Teacher observation of students' active participation throughout the various steps of the activity.

		N/A	1	2	3	4	5
L1 - L3	The student will work on developing fine motor skills by working with clay.						
L1 - L3	The student will create a book about themselves.						
L1 - L3	The student will research and collect information relevant to their individuality.						
L1 - L3	The student will use creative writing and drawing during the development of their self-book.						
L1 - L3	The student will create a cover page for their book identifying the title and themselves as the authors.						
L1 - L3	The student will draw and/or glue pictures to create the self-book.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

2.3 Composition and Grammar

- Teacher observation of student's ability to make self-portraits using a variety of supplies.
- Teacher observation of student's ability to express orally the special significance of their object.
- Teacher observation of student's ability to listen to fable attentively and role-play the different characters.

		N/A	1	2	3	4	5
L1 - L3	The student will participate in the making of a class book by working cooperatively towards a common goal.						
L1 - L3	The student will express themselves orally using complete sentences and good voice projection when presenting a special object to the class during "Show and Tell."						
L1 - L3	The student will share feelings about the object with classmates and teacher.						
L1 - L3	The student will create a drawing of the special object.						
L1 - L3	The student will listen attentively to the story and be able to role-play characters in the story.						
L1 - L3	The student will draw and/or glue pictures to create the self-book.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

3.0 Character and Emotional Education

- Teacher observation of student's active participation in all activities. In addition teacher must observe that their self-esteem is high and healthy.

		N/A	1	2	3	4	5
L1 - L3	The student will learn about the importance of birthdays and the significance for celebrating that special day.						
L1 - L3	The student will learn about different emotions and facial expression that goes with each.						
L1 - L3	The students will participate in an activity where their skills are noted by the teacher and classmates.						
L1 - L3	The student will draw a picture describing their special skill for class "I Can ..." book.						
L1 - L3	The student will discuss with the class why they think they are special.						
L1 - L3	The student will listen attentively and be able to discuss stories.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

4.0 Internationalism

- Teacher observation of student’s ability to appreciate their uniqueness when it comes to culture, customs, traditions and family.
- Teacher observation of student’s ability to try and comprehend why all large groups of people have rules.

		N/A	1	2	3	4	5
L1 - L3	The student will identify a globe and a map.						
L1 - L3	The student will participate in discussion about the use of maps.						
L1 - L3	The student will participate in creating a map of their school as a class.						
L1 - L3	The student will understand the need for classroom rules.						
L1 - L3	The student will learn about rules used for fairness.						
L1 - L3	The student will create a family tree.						
L1 - L3	The student will learn about each other’s cultures, backgrounds and families’ origins.						
L1 - L3	The student will learn about traditions within their family compared to traditions of other classmates.						
Teacher:		Date Tested:					

5.0 Art

- Teacher observation of student's ability to listen, appreciate and create their own original piece of artwork.

		N/A	1	2	3	4	5
L1 - L3	The student will begin to identify characteristics of art such as texture, shapes, lines, colors and form.						
L1 - L3	The student will observe and appreciate famous artists' portraits.						
L1 - L3	The student will create his/her own family portrait and present it to the class.						
L1 - L3	The student will use precut shapes to create an original piece of art.						
L1 - L3	The student will learn about primary and secondary colors.						
L1 - L3	The student will show appropriate skill in painting, cutting and pasting according to their age.						
L1 - L3	The student will use various materials/media to create artwork: chalk, paint, colored pencils, precut shapes, etc.						
L1 - L3	The student will use dramatic play to role-play different members of their family.						
Teacher:		Date Tested:					

Teacher Notes/Remarks

6.0 Gross Motor

- Teacher observation of student's on-going development of gross motor skills, active participation during games and healthy self-awareness.

		N/A	1	2	3	4	5
L1 - L3	The student will stand on either foot for five seconds with arms out on sides.						
L1 - L3	The student will walk backwards heel-to-toe for two meters (six feet) with arms out at sides.						
L1 - L3	The student will throw a ball.						
L1 - L3	The student will kick a ball forward at least two meters (six feet).						
L1 - L3	The student will catch a ball.						
L1 - L3	The student will jump backwards.						
L1 - L3	The student will begin to try to coordinate both arms and legs to do jumping jacks.						
L1 - L3	The student will be able to hop in place two to four times on one foot.						
Teacher:		Date Tested:
